

LANGOSTERIA BISTROT

Langosteria Bistrot

It was back in 2012 that Langosteria Bistrot opened in Via Privata Bobbio, a stone's throw from Langosteria. Same gastronomic philosophy, but in a more convivial setting – open for lunch and dinner. The right location for countless occasions.

The Bistrot features an outdoor area similar to a little oasis in the city of Milan, surrounded by greenery and offering an open-air Langosteria experience. At the center of Langosteria Bistrot, you can find the Private Dining Room, an intimate space that can accommodate up to 8 guests. A separate room one can access through the restaurant's kitchen.
