

# LANGOSTERIA CAFÉ

## Langosteria Café

In March 2016, Langosteria Café opened its doors. A stone's throw from the Duomo in the city center, a dynamic and versatile location for an international clientele. Right in the center of the restaurant is its open-plan kitchen, where guests can live the Langosteria experience first-hand, admiring the Chefs' artful mastery while enjoying a drink at the bar.

The 2020 restyling project led to the extension of the two outdoor spaces overlooking the Galleria del Corso, creating two areas that can be turned into Private Dining Rooms, ensuring a more intimate and reserved ambiance.
