

LANGOSTERIA

Langosteria

The restaurant, which opened in 2017, immediately ushered in a new scenario – a waterfront terrace in the breathtaking bay between Santa Margherita Ligure and Portofino. Within the Bagni Fiore resort, which has ideally epitomized an all-Italian tradition of luxury beach establishments since 1927, Langosteria introduced a brand-new concept, showcasing Milan's swift pace and refined style by the seaside, with the brand's signature quality.

Four years later, the Group purchased Bagni Fiore, offering customers an end-to-end experience, while entrusting the Splendido Hotel with the operation of the beach facilities. A perfect place for a full immersion in the scent of the sea. A special venue for important celebrations, as well as informal dinners.
