

LANGOSTERIA

Langosteria

In 2021, Langosteria in Paris opened in partnership with Cheval Blanc Paris. That was the beginning of a journey aiming to position our brand in strategic locations globally. Overlooking the river Seine, the restaurant is located on the seventh floor, with a vast indoor area opening on a splendid terrace with a view of the city's skyline. Ideal for every occasion. Whether a corporate event, a celebration or a special occasion, our spaces perfectly suit every need and every wish. For smaller parties, the convivial and vibrant atmosphere of the main hall provides a unique experience.
