

LANGOSTERIA

Langosteria

It all began in March 2007, when Enrico Buonocore decided to open his first restaurant in via Savona, Milan. Langosteria is the flagship. The quintessential restaurant. As soon as you cross the threshold, you enter into a labyrinth of dreams and flavors, lulled by an incomparably sophisticated atmosphere. Surprising, each and every time. In our Private Dining rooms, our guests are treated to the same attentive service and exceptional food that we've always been known for, in an intimate and private setting. Ideal for any occasion. Whether a corporate event, a celebration or a special occasion, our spaces perfectly suit every need and every wish. For smaller parties, the convivial and vibrant atmosphere of the main hall provides a unique experience.
