Langosteria a Parigi is first and foremost a style, but it is also a distinct rhythm. And the refinement that has always been Langosteria's trademark.

A window on the world, with a view of the ville lumière. Looking out over the Seine, the restaurant, in partnership with Cheval Blanc Paris, the new Maison of the eponymous Group headed by LVMH, is located on the seventh floor and features a spacious indoor dining area that opens onto a splendid terrace with a view of the Parisian skyline.
